## Ride-4-Fun High Performance Motor For All GEM Cars

The most powerful motor available for your GEM Car.  
50% More power, torque, & durability for 40 MPH performance

- Incredible acceleration, puling power and top-end speeds under all driving conditions.
- True 35-40 MPH cruising with reliability in all environments.
- The exclusive replacement motor used by Police Departments, Rental Fleets, and GEM Car performance enthusiast's world-wide.
- The only after market motor designed by Ride-4-Fun specifically for high performance GEM car applications.

The unique design, built with the highest quality components provides all GEM car owners with the most reliable and highest performing GEM car motor available. Backed by an unconditional warranty, with overbuilt durability – you can run your GEM at higher speeds all day, under any battery condition without fear of overheating, stalling or other conditions that would destroy other motors.

Ride-4-Fun Motor – Speed Check	
Modification	Speed
Stock Motor	23 to 25 MPH
Ride-4-Fun Motor	36 to 40 MPH
Ride-4-Fun Motor w/14” tire	38 to 40+ MPH

- Safely cruise with traffic on 30MPH roads.
- Available for all GEM Cars – Direct Bolt-In!
- The best compliment to a set of Ride-4-Fun 14” Aluminum wheels and tires for even more performance.
- Be sure to ask about expert re-programming to get the most performance from your new motor.

When 23-25MPH just won't cut it – You simply need more horsepower.  
Increased reliability, wild top-end and MAXIMUM FUN!
